

Course Planning Instructions

How do I register for classes?

1. Fill-in the high school courses you will have completed by the end of the current year.
2. Read the Graduation Requirements chart to determine courses you still need to take.
3. Consider course needed for college and career readiness goals.
4. Review the course descriptions, prerequisites, and grade level restrictions.
5. List the course you want to take next year on your Course Planning Worksheet (back of this document).
6. List alternate courses (electives) in case your first choices are is not available.

How many credits do I need to graduate?

You need 66 credits from 9th-12th grade. Successful completion of a trimester course earns you 1 credit. Each trimester you have the ability to earn 6 credits; totaling 18 per year.
